About Us

Ability Matters provides support/services to people with disability and encourages them to participate in a different activities that will build their confidence, self-esteem and be a valued member of the community

HOW CAN WE HELP

- To assist participants to understand how to use their NDIS funding properly.
- We are focused on the abilities of the participants and not their disabilities.
- To assist the participants to reach their goals.
- To assist the participants to be apart of the community.
- To empower the participants to be independent as much as possible.
- To help them fulfill their dreams and visions.
- We support people with disability to reach their goal.

We support people with disability to reach their goal.

A photograph of a person with dark hair, wearing a green sweater and blue pants, sitting cross-legged on a green wooden bench. They are pointing their right hand towards a brick building in the background. The building has a red-tiled roof and a large window. There are trees and a fence behind the building. The ground is paved with cobblestones. The image is framed by a colorful border with yellow, blue, and red shapes.
